# Core Values

**Accountability** Our aim is to ensure that all who do business with us, find us faithful.

## Technology

Our effectiveness and efficiency is enhanced by extending our capabilities through the use of smart technologies.

## Reliability

We are committed to providing predictable and reliable quality of service through best practices.

## Speed

We value the time of our clients and have established systems and processes to increase response times.

## Transparency

We have adopted a transparent posture to all our service offering that allows us to carry our customers along the life cycle of each project.

# Our Projects

1.

## Education for All - Orerokpe, 2011

A collaborative effort between ADRA Nigeria and Acquire Centre to provide and equip the Delta State Public library, Orerokpe with brand new international books and reading materials covering all STEAM subjects for ages 5 - 18 years.

2.

## Systems Upgrade - PortHarcourt, 2015

Acquire Centre was recruited by Midland Microfinance bank to upgrade their email system for all branches in Port-harcourt from MailEnable to Microsoft Exchange Server. This project was completed with flawless precision.

# Our Projects

3.

## Care to Share - Delta Mall, 2016

In 2016, we mobilized pupils, parents, and teachers to participate in our Care to Share Christmas concert initiative led by our subsidiary Love In Action. Each was able to donate cash or kind for orphans in Effurun by engaging in various bob-a-job efforts. Three orphanages benefited from this project.

4.

## Pivot to Science - Alvinas School, 2017-2019

This project involved making strategic, managerial, and administrative changes to the school's curriculum, policy and processes, while providing on the job training for staff of the High school department in an effort to pivot the learning ecosystem to a science oriented emphasis, with outstanding results.
